GRACENOTES

Another Ebenezer Story

"Then Samuel took a stone and set it between Mizpah and Shen, and named it Ebenezer, saying, "Thus far the LORD has helped us."
1 Samuel 7:12

Sometimes life works out. In June of 1979 I sat where our current seniors sit. Graduation from high school marked the finish line of a long-run race. For twelve years the object had been pursued. This was an Ebenezer moment. I did not know what an Ebenezer was at the time but I did know how it felt to have been aided by God to that point on my journey.

I wanted to preach. I had wanted to preach since the sixth grade. I was gifted with financial support to attend the school of my dream. I was on my way to my life's work. Remember — Sometimes life works out.

We hear often of tangents on the road to finding one's direction. I pray that our graduates will seek God first and let all the necessities of this world be added along the way. Don't discount where you are. Don't let folks look down on your youth if it is focused on God.

I don't think I had to preach. By that I mean that my profession could have changed and God would still be pleased. It wasn't so much that I knew what would define me as a career. It was that I knew who I wanted to walk with on the journey and that I wanted to be His servant along the way.

I promise that life will work out if God is your goal. You will look back and acknowledge multiple "Ebenezers". God already has plans for you. Don't stress. LIFE always works out when lived with GOD!
